

Cushioned Garden

Problem: This garden needs a walk way for circulation and needs a student lounge area!

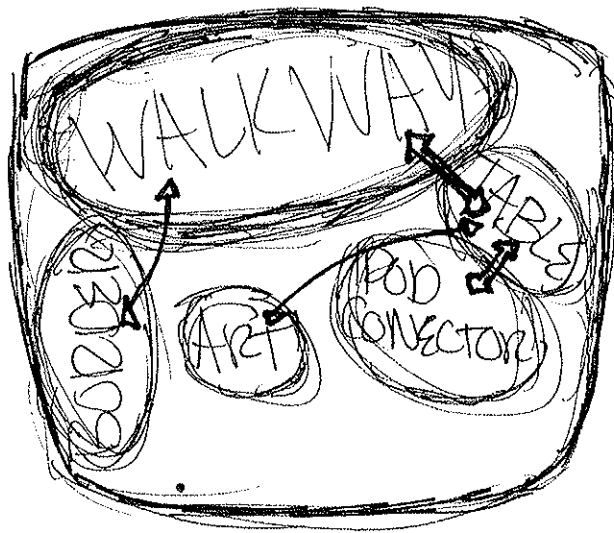

By Mikayla Hopp

Concept: I plan to create a lounge, walk way and beauty for this area. With outdoor couches you will feel like your in your living room.

PROBLEM STATEMENT

THERE IS A NEED FOR A WALKWAY LEADING AROUND THE WEST AND NORTH SIDE OF THE ZOO BUILDING FOR PEDESTRIAN CIRCULATION. FOR THIS PROJECT WE NEED TO DESIGN A USABLE PATHWAY AND EITHER A STUDENT LOUNGE AREA OR LINEAR, WALKABLE GARDEN.
